Education

Eluru College of Engineering and Technology, Eluru, Andhra Pradesh Nov 2021 – Apr 2025
Bachelor of Technology in Computer Science and Engineering CGPA: 8.4

Experience

Python Full Stack Trainee, Codegnan IT Solutions, Hyderabad Sep 2025 – Present

- Engaged in a hands-on Python Full Stack Development program, fostering adaptability and teamwork.
- Collaborated on real-world web projects using Python, Flask, HTML, CSS, and Bootstrap.
- Analyzed root causes of failures, fixed bugs, and applied enhancements, resulting in smoother application performance.
- Developed efficient APIs and databases, integrating frontend and backend logic.

Machine Learning Intern, Tech Yuva Computers, Eluru Jul 2024 – Sep 2024

- Developed a project titled **Retail Store Clustering**, applying clustering algorithms to analyze sales and customer demographic data.
- Grouped retail stores into meaningful clusters to identify patterns and support data-driven decision-making.
- Applied **Elbow Method**, feature scaling, and PCA to optimize and interpret clusters effectively.
- Presented findings effectively, demonstrating strong research and communication skills.

Projects

Deloitte Australia Data Analytics Job Simulation on Forage Oct 2025

- Completed a Deloitte job simulation involving data analysis and forensic technology.
- Created an interactive visualization dashboard using Tableau.
- Classified large datasets using Excel to derive business insights.

Facial Expression Driven Song Suggestion System Jan 2025 – Apr 2025

Technologies: OpenCV, CNN, Flask, MySQL, HTML/CSS, JavaScript

- Developed a real-time facial emotion recognition system using CNN and OpenCV.
- Suggested songs dynamically from a local MySQL database based on detected emotions.
- Integrated backend logic with a user-friendly Flask web interface.
- Achieved 88% accuracy in facial expression prediction using CNN.

Skills

Programming:	Python, HTML, CSS, Bootstrap, JavaScript
Frameworks:	Flask
Databases:	MySQL, Oracle
Tools / Platforms:	Git, XAMPP, VS Code, WordPress

Certifications

- APSSDC Web Design Course Skill-A-Thon (GUVI)
- Flipkart Grid 5.0 & 6.0 E-commerce & Tech Quiz – Unstop
- Business Development Internship Certification – Devtown
- Placement Preparation Certification Course – Internshala Trainings
